Subject: Chevron Richmond Black History Awareness Committee – Dr. William F. King Scholarship

We invite your high school to participate in the 2021 Chevron Richmond Black History Awareness Committee Scholarship Program. Since 2004, the Chevron Richmond Black Employee Network (BEN) has awarded over 40 scholarships to deserving high school students from the West Contra Costa Unified School District. Funding for the scholarships is provided by Chevron Richmond's Policy, Government & Public Affairs (PGPA) department in partnership with the Richmond Black History Awareness Committee (BHAC). The scholarship is given in honor of Dr. William F. King. Dr. King is a distinguished African American Chemical Engineer who retired from Chevron in 2003. He also served as a Chevron recruiter, mentor and community activist.

It is Chevron's ongoing mission to invest in programs that help students achieve their educational goals, improve access to a quality education, and to provide an academic gateway for students who are historically underserved or under-represented.

We encourage you to share the enclosed scholarship applications with all qualifying seniors.

**All packets must be received by email on or before January 17, 2022
Packets that are incomplete or not received by email will not be considered.**

Please direct students to email completed packets and any questions to: RichmondCE@chevron.com

Scholarship winners will be notified of the results by February 1, 2021. The 1st place winner (and possibly the 2nd - 4th place winners) will be expected to read their essay at the Annual Chevron Richmond Black History Awareness Celebration on Wednesday, February 17, 2022. Scholarship funds will be awarded to the college of choice upon verification of college enrollment.

The awarded scholarship monies may only be used for payment of tuition for study by the winning applicants at accredited colleges or universities during the 2021-2022 academic year. A scholarship will be forfeited if the winning applicant does not provide such proof of enrollment as noted. To be eligible for payment, each winning applicant must provide proof of enrollment at an accredited college or university to RichmondCE@chevron.com by July 1, 2021, showing enrollment for at least 12 credits of study. After such proof is received, the scholarship monies will be sent directly to the selected college/university.

The amount to any scholarship will be reduced if it exceeds the winning applicant's tuition less any other scholarship or grants. If you decide to change colleges, you must notify Chevron as soon as possible to request a transfer of the scholarship monies. In the case where a student receives a full tuition scholarship from another source that will cover 100% of their college tuition costs, the BHAC scholarship will be forfeited.

Note: Scholarship recipients are not eligible to receive more than one Chevron diversity-sponsored scholarship. If a student receives an athletic scholarship, regretfully he/she is not eligible to participate in the Chevron scholarship program. Students with parents who are Chevron employees or contractors are not eligible to apply.

Sincerely,

Richmond Scholarship Chairperson
