helping those in need

“For 23 years, Chevron has been a true champion of the Bay Area Rescue Mission (BARM), providing funding and thousands of volunteer hours to help us serve people facing food insecurity, homelessness, and addiction. This year, Chevron had the most volunteer hours of any group that supported BARM. We were proud to recognize their extraordinary support and dedication by awarding them the 2024 Group Volunteer Award for the most volunteer hours. We are incredibly privileged to count Chevron as a partner — we wouldn’t be able to serve our community the way we do without them.”

Nos sentimos orgullosos de reconocer su extraordinario apoyo y dedicación al otorgarles el Premio al Grupo Voluntario del Año 2024 por la mayor cantidad de horas de voluntariado.
